Summary:

An Organizational Development Specialist with over 12 years of experience crafting, refining, and executing holistic organizational & people-centric programs for startups and mid to large companies.

My dedication centers on fostering employee growth, enhancing engagement, and driving organizational success through effective training methodologies, adapting growth strategies, and streamlined communication channels.

I have a proven track record of driving performance-enhancement efforts and instilling a culture of perpetual learning. I have helped companies through critical Change Management Exercises (OCM), during New Process adoption, Culture Implementation, Post-Merger Integration, Employee Competency Development programs etc.

Notable Achievements

- **Cultural Framework:** Built result-oriented culture frameworks like “MesVibes”, “Vibrance”, and “Core group”, and aligned these people-centric programs for 3 major companies. ●
- **Learning Lab:** Initiated, Developed, and Implemented a successful learning center idea for PricolTech.
- **Merger & Acquisition:** Handled 3 important M&A activities across my career span and managed the Due diligence activities, post-merger transition, integration, change management planning, and process and sustenance activities (PricolTech to Altran to Capgemini).
- Handled acquisition of the company ‘FossilShale’ for Merrakky Eng Solutions and helped navigate through the entire OCM cycle - People, Client & Business understanding, integration, and retention.
- Knowledgeable in the Change Management fundamentals and Models such as the Prosci (ADKAR), McKinsey 7-S Framework, Lewin’s 3-Stage Model, etc.
- Handled Training programs under the ‘Career Transition’, ‘Organizational Competency Development’, and Change Management Process Understanding for renowned colleges and corporates across Coimbatore/Bangalore.
- **ISO 9001:2015 and CMMI Level 5 Audit:** managed and represented for various verticals ●
- **CSR program manager - CIMR**, an NGO based in Kerala, a home for mentally and physically challenged children.
 - Ideated, Designed, and implemented a comprehensive leadership development program, resulting in a 30% increase in internal promotions to managerial positions within 2 years.
 - Led the complete revamp of the company's onboarding process, resulting in a 20% reduction in new hire ramp-up time and an increase in overall employee satisfaction by 15%.

- *Designed, Developed and executed the Change Process of Performance Management to Performance Development - PMS - PDA frameworks that improved employee goal alignment by 25% and overall performance ratings by 15%.*
- Through the implementation of employee engagement surveys and feedback mechanisms, I achieved a 10% increase in overall employee engagement scores and a 20% decrease in voluntary turnover.
- Leveraged talent analytics to identify skill gaps and develop targeted training programs, resulting in a 25% increase in employee competency levels and a 20% improvement in productivity.
- Successfully collaborated with HR and business leaders to implement diversity and inclusion initiatives, leading to a 15% increase in diversity hires and a more inclusive work environment.

Software Tools I can work with:

- **Microsoft Office Suite (Outlook, Excel, PowerPoint, Word).**
 - **Collaboration tools like Microsoft Teams, Slack, Google Meet and Zoom.**
 - **Project management tools like Zoho Ecosystem, Excenta & PeopleFirst.** •
- I love data infographics and PowerPoint presentations**

I have a proven track record of working closely with Stakeholders, the Leadership team, HR professionals, Production managers, and employees to align talent development initiatives with broader HR strategies to match the company's vision and goals.

Collaboration is at the heart of my approach. Focusing on the People Factor to enable better success rates for Change Management initiatives has helped me contribute largely to the overall Organizational Development. I design my strategy to change management around the larger picture of a culture and ecosystem that nurtures employee growth, inclusivity, diversity, and collaboration.

Work Experiences

Merraky Engineering Solutions

Manager-People & Talent Enablement, May 2019 - April 2023

- Owner of the design, development, and implementation of comprehensive programs aimed at People Development, Process Efficiency, Training, and nurturing a culture of continuous learning and development.
- Ideated and created **a new Cultural framework called "Mes Vibes"**
 - This Culture was designed to be the Core of the organization's Thought, Mission & Vision. Aimed to cultivate a positive working model for the employees and also increase the success and growth of the company, by focusing on initiatives encouraging collaboration, innovation, and employee engagement, laying the foundation for a cohesive and thriving cultural framework.
- Played a pivotal role in managing and facilitating mergers & acquisitions activities, ensuring seamless integration of acquired entities into the organizational culture and operational framework.
- Led communication efforts (Both internal & external) during organizational changes (OCM), ensuring transparent communication channels and fostering employee understanding and buy-in.
- Collaborated closely with senior leadership to align talent development strategies with the organization's goals and objectives, driving performance improvement and organizational

success.

- Successfully navigated ISO 9001:2015, representing various verticals and showcasing a commitment to quality and excellence. Owned the complete process of the ISO framework
Understanding, New Process design, Employee Awareness, and Employee Cooperation to adapt to the new process and guidelines. Ensured that the quality standards and procedures were followed by the entire workforce and led the Audit Certification successfully.
- Managed a team of learning and development professionals, providing mentorship and guidance to drive team performance and achieve organizational objectives across the company globally.

Altran India (Pricol Technologies)

Manager - Learning and Development May 2018 - May 2019

- Orchestrated training initiatives across multiple engineering verticals, aligning them with the organizational culture of continuous learning and development.
- **Handled Post-Merger Integration Activities. OCM activities such as** policies, processes, people, and cultural integration.
- Collaborated closely with Business Heads & Senior Managers to discern talent development needs, ensuring training programs met strategic business objectives.
- Facilitated effective communication between clients (US & Europe), business heads, and internal teams to identify project-specific skill requirements, enhancing performance and talent development strategies.
- Directed the development of comprehensive training programs addressing both technical and non-technical skill requirements, emerging trends awareness and learning, fostering a culture of skill enhancement and proficiency through a Continuous Learning Mind-set.
- Supervised the functionality of the Online Learning Platform (LMS), ensuring seamless implementation and accessibility across the organization to support continuous learning initiatives.
- Managed team performance, providing regular reporting and conducting annual performance presentations, fostering a culture of accountability and excellence.
- Evaluated and reported on the effectiveness of training programs, utilizing insights to continuously refine and improve training strategies and methodologies.
- Oversaw corporate communication efforts for the 4 Development Centers in Coimbatore, ensuring alignment with organizational culture and values, and facilitating transparent and effective communication channels.

Pricol Technologies (Acquired by Altran Engineering)

Manager - Corporate Culture, Learning & Development Apr 2016 - May 2018

- Designing and implementing a comprehensive competency framework, aligning core competencies organization-wide, and ensuring adherence to change management principles like **Prosci ADKAR and the 7Rs** of change management.
- Implementation of the Organization Culture framework “**VIBRANCE**” initiative across company locations in India, the US, and the UK, promoting the new, vibrant and inclusive organizational culture.
- Designed and managed programs for cultural implementation activities, fostering communication and alignment across all levels and business units.
- Managed the Learning & Development function across Development Centers in Coimbatore, Pune, USA, Japan, and the UK, focusing on non-technical training needs and enabling talent development initiatives.

- Ensured the preparation and quality assurance of content for global communication, facilitating effective communication channels and promoting organizational transparency in line with the CMMI Level 5 & ISO standards.
- Collaborated with C-level executives to determine core organizational competencies, driving strategic alignment and fostering a culture of shared vision and goals.
- Designed and executed programs for the analysis of individual competencies, identifying skill gaps, and facilitating targeted skill development initiatives.
- Established a 'Learning Lab' to facilitate unique and engaging learning experiences across various office locations, promoting a culture of continuous learning and innovation. • Orchestrated over 4000 training hours in the year 2017-18, demonstrating a commitment to employee development and skill enhancement.
- Successfully managed the 'Fresher College to Campus' program, overseeing the transition, training, and placement of 45 students across different development centers, contributing to talent pipeline development and organizational growth.
